Career Objective

As a third-year Computer Science and Engineering student, I aim to join a dynamic and growth-oriented organization where I can apply my programming and development skills to contribute to real-world projects, gain industry experience, and grow into a skilled software engineer.

EDUCATION

Bachelor of Technology (B. Tech), *Aditya Institute of Technology and Management* 2023 – Present
B. Tech in Computer Science and Engineering Tekkali, India
CGPA: 8.13 (up to [Current Semester])
Expected Graduation: 2027

Higher Secondary (Class XII), *SR Junior College* 2021 – 2023
Percentage/Grade: 90% Srikakulam, India

Secondary School (Class X), *Vignana Durga High School* 2020 – 2021
Percentage/Grade: 99% Srikakulam, India

TECHNICAL SKILLS

Programming Languages:

C, Python, Java, C++

Web & Frameworks

Django (Python)

Cloud & Tools :

Cloud Computing (Basics), Deployment Models (IaaS, PaaS), Virtualization, Cloud Storage & GitHub, Android Studio

Data Structures & Algorithms:

Arrays, Linked Lists, Trees, Graphs, Dynamic Programming, Recursion, Sorting, Searching.

Object-Oriented Programming:

Inheritance, Polymorphism, Encapsulation, Abstraction (in Java and C++)

Mobile App Development:

Java (Android Studio), XML

Operating Systems & DBMS:

Process Scheduling, Deadlocks, Transactions, ACID Properties

PROJECT IDEAS (Work in Progress)

Dataflow App,

A mobile app to Automatically utilize unused daily mobile data when the current day's quota is over (Idea stage).

- Other project ideas discussed with guidance.

CERTIFICATIONS

Certified in Cloud Computing-SkillAP(APSSDC)

Completed certified training covering cloud models, deployment types, and virtual storage.

Completed Django with Python

Cloud Computing – NPTEL

Completed 8-week certification course with assignments and final exam, covering core cloud architecture and services.

ACHIEVEMENTS

2nd place in Innotech Expo Contest

01/12/2023

Secured 2nd place in the InnoTech Expo PPT Challenge conducted at Aditya Institute of Technology and Management in 2025. Recognized for clarity in technical communication, and awarded a certificate of excellence along with a prize (earphones).

Certified in Cloud Computing

Completed a certified course covering cloud models, virtualization, and storage.

Programming Contests

Participated in **Python and C Programming Contests**, AITAM Showcased programming skills in college-level coding challenges.

Idea Challenge:

Took part in **Ideathon 2024** – Presented a tech solution for real-life problems.

PPT Presentations

Participated in multiple **Technical PPT Presentations** on emerging technologies like AI.

PARTICIPATION

Participated in

- Python Coding Contest
- C Programming Contest
- Ideathon
- PPT Presentation in Innotech Expo
